MYSTERIES!

The Nervous System the Seat
of Life and Mind. Recent
Wonderful Discoveries.

No mystery has ever compared with that of
human life. It has been the leading subject
of professional research and study in all ages.
But notwithstanding this fact it is not generally
known that the seat of life is located in the
upper part of the spinal cord, near the base
of the brain, and so sensitive is this
portion of the nervous system that even a
needle will cause instant death.

Recent discoveries have demonstrated that
all the organs of the body are under the control
of the nerve centers, located in or near
the base of the brain, and that when these
are deranged the organs which they supply with
nerve fluid are also deranged. When it is re-
membered that a serious injury to the spinal
cord will cause paralysis of the body below
the injured point, because the nerve force is
prevented by the injury from reaching the
paralyzed portion, it will be understood how
the derangement of the nerve centers will
cause the derangement of the various organs
which they supply with nerve force.

Two-thirds of chronic diseases are due to
the imperfect action of the nerve centers at
the base of the brain, not from a derange-
ment primarily originating in the organ it-
self. The great mistake of physicians in
treating these diseases is that they treat the
organ rather than the nerve centers which
are the cause of the trouble.

Dr. FRANKLIN MILES, the celebrated
specialist, has profoundly studied this subject for
over 20 years, and has made many important
discoveries in connection with it, chief among
them being the facts contained in the above
statement, and that the ordinary methods of
treatment are wrong. All headaches, dizziness,
nausea, dizziness, confusion, pressure, blues,
mania, melancholy, insanity, epilepsy, St.
Vitus dance, etc., are nervous diseases no
matter how caused. The wonderful success of
Dr. Miles' Restorative Nerve is due to the
fact that it is based on the foregoing principle.

Dr. Miles' Restorative Nerve is sold by
all druggists on a positive guarantee, or sent
direct by Dr. Miles Medical Co., Elkhart,
Ind., on receipt of price, \$1 per bottle, six
bottles for \$5, express prepaid. It contains
neither opiates nor dangerous drugs.

THE SILVER PLATFORM.

The silver wing of the Republi-
can State Convention unanimously
adopted the following platform:

The convention endorses and
adopts the platform of the Republi-
can State Convention, held at Va-
city on the 30 of April last, as fol-
lows:

Resolved, That we condemn the
Republican party of the Eastern
states and the administration of
President Harrison, insofar as they
have failed to accomplish the com-
plete remonetization of silver, and
to enact laws providing for the
free and unrestricted coinage of
that metal.

Resolved, That the restoration
of silver to the place it occupied
previous to the passage of the
Mint Act of 1873, is essential to
the prosperity of the country and
paramount to all other political
considerations. The legislation
which robbed silver of its money
functions and denied to the owner
of silver bullion the right to have
the same coined into money upon
the same terms and conditions
which apply to the coinage of gold,
reduced the money of ultimate re-
demption or payment, about one-
half, and enabled the owners of
money and obligations payable in
money to monopolize the coin of
the commercial world.

Resolved, That the people of
Nevada are in favor of the coin-
age of silver upon the same con-
ditions which apply to the coinage
of gold, and they are opposed to
elevating any person to office who
is not known to be unequivocally
in favor of opening the Mints of
the United States to the free and
unlimited coinage of silver.

In view of the unsatisfactory at-
titude of President Harrison to the
paramount issue of the remonet-
ization of silver, this convention
will make no nominations for Pres-
idential electors and the State Cen-
tral Committee to be appointed by
this Convention shall have no au-
thority to put in nomination elec-
tors.

The Convention cordially en-
dorses the vigorous efforts of our
Senators and Representatives to
secure the free and unlimited coin-
age of silver, and the educational
work that they have done in pre-
serving the true issue between the
money powers and the bondhold-
ers and laborers and producers of
wealth.

And we favor the continuation
of agitation and contention for the
free and unlimited coinage of sil-
ver at the present rate of 16 to 1,
for their own benefit and for the
benefit of the people at large—
miners, farmers, laborers and me-
chanics.

The citizens of Nevada, repre-
sentatives of the various silver
leagues, irrespective of past party
affiliations, in convention assem-
bled, do set forth the following de-
claration of principles:

First. We demand the full re-
monetization of silver and the free
and unlimited coinage thereof, at
the present ratio of 16 to 1.

Second. We are radically and
unalterably opposed to the Nation-
al Republican and Democratic parties
on the question of the free
coinage of silver and we denounce
the action of their recent national
conventions as inimical to the ma-
terial interests of the people of the
United States, and especially to
those of Nevada and all the other
mining states and territories, and
we therefore repudiate the nomi-
nees of their convention.

Third. We pledge the nominees
of this convention for Presidential
electors to support no man for
President or Vice-President of the
United States who is not unequiv-
ocally in favor of free coinage as
defined by this convention. We
renew to the silver leagues of
Nevada, in Convention assembled,
the right of directing said Presi-
dential electors for whom to cast
their votes, should contingencies
require. GEO. S. NIXON,
Chairman State Committee of Sil-
ver party.
